Targeting Chinese consumers, evolving branded content and digital tools that are creating a smarter shopping experience.

26 WILDFIRE / INTERVIEW
Andreas Raptopoulos, Matternet
The drone delivery startup's founder is on a mission to make transporting matter as easy as sending an email, he tells Ed White.

20 FULLY-FLEDGED PROTOTYPING
Contagious thinking / By Nick Parish
Developing paths to scalability helps prototypes move beyond gimmickry.

30 WILDFIRE
Design, technology and virtue
This quarter's ideas include the world's first home AI device, buildings that self-construct, anti-surveillance clothing and wearable tech that monitors illness.

22 SURVIVAL INSTINCTS
Contagious thinking / By Dan Southern
Shifts in millennials' behaviour and consumption patterns are causing brands to adapt to ensure they remain relevant.

38 UP AT NIGHT / INTERVIEW
Syl Saller, Diageo
Talent, agility and execution keep the CMO of the world's biggest distiller awake, she tells Ed White.

24 THE ETHICS OF INTERRUPTION
Contagious thinking / By Emily Hare
The gap between brands creating engaging marketing on new social platforms and those creating campaigns that are brash and intrusive is widening.

42 SMALL BUT PERFECTLY FORMED
Little brands, big thinkers
The startups and companies that have impressed this quarter. Those punching above their weight in terms of revenue and visibility include Play-i, Ibotta and Fairphone.

50 CASE STUDY / PADDY POWER

Making mischief

Driven by marketing mischief and editorial rigour, Paddy Power has become a market leader in the dynamic betting industry. Patrick Jeffrey reveals the influential corporate culture behind this slick ecommerce operation.

62 INSIDER IDEAS

Return on culture

Corporate culture, values and processes can become powerful communications collateral for brands. By Nick Parish.

68 CASE STUDY / JOHN LEWIS

In whom we trust

Department store John Lewis's emotional advertising strategy and commitment to putting consumers first has won the hearts of British shoppers. By Chloe Markowicz.

80 SECTOR FOCUS / MUSIC STREAMING

Changing rhythm

As streaming music becomes mainstream, services are jostling to appeal to new users. Technical, spec-based marketing is being consigned to the past as the sector starts to sing a new tune. By Chris Barth.

88 IN THE FIELD / INTERVIEW

Gary Klein

Insights are the heart of marketing, but our understanding of them is based on old research. Cognitive psychologist Gary Klein tells Ed White about the nature of insights and how to nurture them.

92 FEATURE / GOVERNMENT DIGITAL SERVICE

The strategy is delivery

Dan Southern investigates how a crack team of digital specialists is radically rewiring the UK government to put its citizens first.
