

**CONTAGIOUS**X

## 06 THE CONTAGIOUS DECADE

### A Primer

Log off, lean in and pore over Katrina Dodd's attempt at imposing neatly alphabetised order on the chaos of the *Contagious* zeitgeist.

## 14 WELCOME TO CONTAGIOUS X

### Brands for the next decade

Application instructions for this special dose of the magazine. Side effects may include broad inspiration, brand bravery and a healthy dose of disdain for the status quo.

## 19 STRENGTH STUDY / Disruption

By Emily Hare

**Landscape** How can brands make disruption work while protecting themselves against challengers?

**Brand Spotlight** Tesla

**Opinion** Jonathan Mildenhall, CMO, Airbnb

## 28 CUT OUT AND KEEP

### A brief history of (Contagious) time / The ten commandments

A crunched-down illustration of the major tech, social and business developments on one side and *Contagious'* non-denominational lessons to live by on the other. Hang it proudly.

## 31 STRENGTH STUDY / Purpose

By Lucy Aitken

**Landscape** What's meaningful is magnetic, and great brands understand their calling

**Brand Spotlight** Chipotle

**Opinion** Paul Polman, CEO, Unilever

## 40 SMALL BUT PERFECTLY FORMED

### Little brands, big thinkers

In each of our past 20 issues, *Contagious* has celebrated seven small companies hoping to change the world. We take a look at some of our favourites – and add a few more to the ranks.

## 47 STRENGTH STUDY / Publishing

By Chloe Markowicz

**Landscape** Brands evolve from being publicists to publishers

**Brand Spotlight** Red Bull

**Opinion** Tyler Brûlé, editor in chief, *Monocle*

## 57 STRENGTH STUDY / Data

By Chris Barth

**Landscape** The fine art of surfacing signal from noise

**Brand Spotlight** IBM

**Opinion** Vikram Somaya, general manager of WeatherFX, The Weather Company

## 66 FEATURE / The technology boneyard

Explosive digital development has its casualties. Will Sansom considers those that became cautionary tales.

## 68 ANALYSIS / The case study cash-in

*Contagious* corners the hypothetical market by backing our case study-featured brands. By Raakhi Chotai.

## 69 INSIDER IDEAS

### Sex, drugs & Twitter

Will Sansom charts how the collision of celebrity life and digital media is reshaping popular culture.

## 77 STRENGTH STUDY / Design

By Ed White

**Landscape** From decoration to business imperative

**Brand Spotlight** Apple

**Opinion** Sue Siddall, partner, IDEO

## 86 WHAT WE GOT WRONG

### To err is Contagious?

Our role as a handy instruction manual for the future isn't as easy as we make it look, ok? But we're big enough to admit a few of our mistakes...

## 89 STRENGTH STUDY / Experimentation

By Alex Jenkins

**Landscape** Test, measure and learn in a rapidly-changing environment

**Brand Spotlight** Google

**Opinion** Sir Martin Sorrell, founder and chief executive officer, WPP

## 99 STRENGTH STUDY / Services

By Patrick Jeffrey

**Landscape** Service design thinking has radically reimagined marketing in the digital age

**Brand Spotlight** Uber

**Opinion** Russell Davies and Louise Downe, director of strategy and service designer at Government Digital Service

## 109 STRENGTH STUDY / Empowerment

By Arwa Mahdawi

**Landscape** The tool-makers shall inherit the earth

**Brand Spotlight** Safaricom

**Opinion** Ethan Zuckerman, director, MIT Center for Civic Media

## 119 STRENGTH STUDY / Collaboration

By Georgia Malden

**Landscape** Better together? Partnerships characterise today's high-achieving brand landscape

**Brand Spotlight** LEGO

**Opinion** Blake Mycoskie, founder and chief shoe-giver, TOMS

## 129 STRENGTH STUDY / Culture

By Dan Southern

**Landscape** Company culture galvanises employees and delights customers

**Brand Spotlight** Etsy

**Opinion** Dave Gray, author and consultant

## 138 FEATURE / Job title safari

As the marketing industry evolves, so does the taxonomy of its strange and exotic creatures.

## 140 INDEX

The brands, companies and people showcased in this special issue of *Contagious*.
