

CONTAGIOUS

06 NEED TO KNOW

Standout campaigns

We showcase the best campaigns of the quarter and explore trends, including brands mixing sampling with experiences, smarter interruptions and video that brings people together.

38 A GOOD SIGN

Opinion

Fragmentation of media has made attribution a baffling task. But now Google and Snapchat are applying machine learning and location tracking to the problem. James Swift asks if they can shine a cleansing light on digital metrics.

18 CANNES DECONSTRUCTED

Feature

Contagious analyses the key themes of the annual festival of creativity and assesses what's occupying the industry's collective consciousness.

40 AIRBNB

Brand spotlight

Airbnb is setting out to reach a wider audience by embracing experiences in its quest to become a community-powered super brand, writes Emily Hare.

28 CULTURAL GUIDE

Special report

In the battle for attention today, connecting to culture is key for cutting through. Georgia Malden sets out a framework for evaluating the different dynamics of culture and analyses the most relevant roles that brands can play.

51 SMALL BUT PERFECTLY FORMED

Startups and startup culture

The disruptors, the game-changers, the finders of new markets and the upstart startups. This quarter we look at firms founded on trust and transparency, including Aspiration, a mobile bank that lets consumers see the impact of their purchases, and people.io, which gives users control over their data.

34 DEEP, MEANINGFUL CONVERSATIONS

Feature

Equipping AI assistants with emotional intelligence promises to provide superhuman customer service, writes Kate Hollowood.

62 MORAL SUPPORT

Interview / Stephen Cave

The philosopher and executive director of the Leverhulme Centre for the Future of Intelligence explains what businesses must do to implement AI in a trustworthy and effective way.

66 SOUTHWEST AIRLINES

Brand spotlight

Southwest Airlines democratized air travel with its low fares and customer service, but as the industry evolved, it faced new challenges. James Swift explains how Southwest drew on its unique culture to redefine itself against a new competitive set.

76 AN OS FOR FASHION

Disruptor / Farfetch

In an industry notorious for its reluctance to embrace digital, Farfetch is becoming the connective tissue between online and offline luxury retail. By Kristina Dimitrova.

80 A DESIGN FOR LIFE

Interview / Erik Brynjolfsson and Andrew McAfee

Emily Hare speaks to the MIT professors on why businesses should discard traditional decision-making processes, embrace agile leadership and use entrepreneurial skills to unlock value.

84 WILDFIRE

Early signals from the future

This quarter we explore how dinner time is being improved by automated cooking gadgets and the alternative, sustainable fuels that might one day save the world.

92 THE NEW KINGS OF CONTENT

Feature

Sophia Epstein speaks to four of the most successful new online publishers to find out how they develop, distribute and monetise the content filling up the Facebook Feeds of the world's youth.

98 PROPOSING CHANGE

Did it sell?

How beauty brand SK-II overhauled a demeaning 'marriage market' in China last year to make a statement about the pressures single women face as they get older, and gained a 50% sales uplift through its emotional message.

100 INDEX

The brands, companies and agencies showcased in this issue of *Contagious*.
